## Public Comment Period Extended for Bully Creek Plan

Vale, Oregon, August 25, 1999—Public comments on the Draft Bully Creek Landscape Area Management Project (LAMP), are now due September 3 instead of August 27, as announced earlier.

According to Roy Masinton, Malheur Field Manager, the comment period is being extended by 7 days in response to several requests by local citizens for more time. “Public comments will help us develop a workable final plan, and we want to do everything possible to make sure interested persons have a chance to comment.”

Written comments on the draft plan should be submitted to the Malheur Field Office, Vale District of the BLM, 100 Oregon Street, Vale, Oregon 97918 by September 3, 1999. Questions, copies of the document, or more information can be obtained by calling Multiple Resource Supervisor Tom Dabbs at (541) 473-6212.

The final plan is expected to be released in late fall of 1999.
